

Attachment to: Benefits Administration Letter 09-402 – Federal Benefits Open Season 2009 Rider Information

The U.S. Office of Personnel Management (OPM) is offering printed copies of the following publications through the rider system. **OPM does not stock supplies of any of the publications.** If you have any questions about this rider, please call (202) 606-0623.

The cutoff date for ordering items from this rider is September 11, 2009. In order to provide products to our customers on a timely basis, we will not extend this date. We expect to begin shipping to agency distribution points on October 19th.

The PDF version of these publications will be available on our website at www.opm.gov/insure/health/planinfo/guides/index.asp. Since the PDF version can be printed as needed, this may be a better alternative for items you need in smaller quantities.

The actual cost of items will vary, depending upon the various specifications and quantity. The **estimated costs** below are **based upon the actual costs for last year**. Generally, the more copies ordered decreases the unit cost and fewer copies ordered increases the unit cost. However, the most economical way of obtaining bulk quantities is to ride the OPM printing requisition(s).

When ordering the Guide to Federal Benefits please consider this useful resource for new employees. The Guide includes important information about an employee's overall benefit package. Therefore, order an amount sufficient for your new employees, benefit fairs, and ongoing employee needs.

This is the November 2009 edition of the *Guide to Federal Benefits*. The Guide provides summary information on the programs that participate in the Open Season: the Federal Flexible Spending Account Program (FSAFEDS), the Federal Employee Dental and Vision Insurance Program (FEDVIP), the Federal Employees Health Benefits Program (FEHB). Information on program features, enrollment instructions, and participating plans and rates is included. Guides also provide information the Federal Employees' Group Life Insurance Program (FEGLI); and the Federal Long Term Care Insurance Program (FLTCIP), although these two programs do not participate in the Open Season.

Ordering, Cost Estimate and Distribution Information

Departments and agencies may order the publications listed in this issue by riding the OPM printing items indicated below. Field and regional offices should submit their requirements to their department or agency Washington, DC, area headquarters printing officer before the cutoff date shown.

Agencies may estimate costs by using the current GPO price list of printing services and the information given in the description of each publication. PLEASE NOTE: The U.S. Office of Personnel Management cannot provide agencies with the exact cost of the individual publications listed in this flyer. The cost agencies will pay is an actual production cost which varies greatly, depending upon the various specifications of the publication, especially the quantity. Individual unit cost can vary significantly, usually decreasing as the total quantity printed increases. Since we are unable to estimate the total quantity that agencies will order, accurate estimates are nearly impossible to gauge.

OPM regrets this inconvenience; however, your agency headquarters printing officer may be able to assist you.

Agencies may order a bulk supply from GPO and make their own distribution to component offices or have GPO make the distribution (distribution list should be attached to the Standard Form 1 showing the number of copies to be sent to each address). ***The Unit of Issue is 5 per package, thus the smallest amount of an item that can be ordered is 5. The total quantity of your order for each item must be divisible by 5.***

NOTE: Field or regional activities should coordinate their requirements with their Washington, DC, area headquarters printing officer before submitting any paperwork. GPO will return all requisitions sent directly from field or regional offices.

Item No. FY 2009	Publication Title	ID Number	Refer to Edition	Cutoff Date to GPO (SF 1)
