Introduction

Preferred Care
259 Monroe Avenue
Rochester, New York 14607

This brochure describes the benefits of Preferred Care under our contract (CS 2371) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

A person enrolled in this Plan is entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2002, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2002, and changes are summarized on page 8. Rates are shown at the end of this brochure.

Plain Language

Teams of Government and health plans' staff worked on all FEHB brochures to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member; “we” means Preferred Care.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochure have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM's “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation Division, 1900 E Street, NW Washington, D.C. 20415-3650.

Inspector General Advisory

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at (716) 325-3113 and explain the situation.
- If we do not resolve the issue, call or write

**THE HEALTH CARE FRAUD HOTLINE
202/418-3300**

The United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, DC 20415

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments or coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

More than 2,600 doctors and area health centers participate with Preferred Care to provide primary care as well as specialty services to the membership. In addition to doctors, the Plan has arranged for hospital, skilled nursing facility, home health, and other covered health services.

All members must choose a primary care doctor who will provide, arrange, and coordinate all medically necessary services. All female members are strongly encouraged to select an obstetrician/gynecologist in addition to a primary care doctor. The OB/GYN will treat you for any gynecological or obstetrical condition. Members do not need a referral from their primary care doctor to see their OB/GYN. A women's OB/GYN is considered an additional primary care doctor. New York State law does provide coverage with Nurse Midwives and the Plan maintains Nurse Midwives on the provider panel. Plan members may elect a Nurse Midwife instead of an OB/GYN.

If you want more information about us, call us at (716) 325-3113, toll free at (800) 950-3224 or write to 259 Monroe Avenue, Rochester, New York, 14607. You may also contact us by fax at (716) 327-2298, or our e-mail address at customercare@preferredcare.org, or visit our website at www.preferredcare.org.

Service Area

To enroll in this plan, you must live or work in our Service Area. This is where our providers practice. Our service area is: Monroe, Genesee, Livingston, Ontario, Orleans, Seneca, Wayne, Wyoming, and Yates Counties in New York State.

Ordinarily, you must get care from providers who contract with us. If you receive care outside our service area, we will pay only for urgent or emergency care. Students attending school or college outside of the service area are covered for follow up care if required after emergency or urgent care treatment. With prior authorization from the student's primary care physician and Plan, follow up care for students is covered.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee for service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2002

Do not rely on these change descriptions; this is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- We no longer limit total blood cholesterol tests to certain age groups. (Section 5(a))

Changes to this Plan

- Your share of the non-Postal premium will increase by 16.8% for Self Only or 45.6% for Self and Family.
- We increased speech therapy benefits by removing the requirement that services must be required to restore functional speech. (Section 5 (a))
- We now cover certain intestinal transplants. (Section 5(b))
- There is a \$15,000 per person annual maximum for external prosthetic and orthopedic devices.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or obtain a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at (716) 325-3113 or (800) 950-3224, or if you have a speech or hearing impairment and have access to TTY equipment (716) 325-2629.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copays and/or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians, including primary care physicians and specialists and other health care professionals in our service area that we contract with to provide covered services to our members. Providers are credentialed to ensure that they meet strict standards of quality.

We list Plan providers in the provider directory, which we update periodically. This list is also on our website at www.preferredcare.org.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

To select a primary care physician, either choose one from our provider directory or contact a Preferred Care Customer Care Center representative who will assist you.

- **Primary care**

Your primary care physician can be a family or general practitioner, an internist or a pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist. Women may choose an OB/GYN in addition to their primary care physician.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care (you may see an OB/GYN without a referral). When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits or a certain period of time without additional referrals. Your primary care physician will use our criteria when creating your treatment plan and will obtain approval, when required, beforehand.
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause; or
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - reduce our service area and you enroll in another FEHB Plan,you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your primary care physician or obstetrician/gynecologist based on the above circumstances, you can continue to see your primary care physician or obstetrician/gynecologist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our Customer Care Center immediately at (716) 325-3113. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the hospital benefit of the hospitalized person; we cover your other non-hospital care.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process “precertification”. Your primary care physician is familiar with the procedures that require a prior approval and will make all necessary arrangements on your behalf.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc.

Example: When you see your primary care physician, you pay a copayment of \$10 per office visit.

- **Deductible**

We do not have a deductible.

- **Coinsurance**

Coinsurance is the percentage of our negotiated fee that you must pay for your care.

Example: In our Plan, you pay 20% of our allowance for durable medical equipment.

Your catastrophic protection out-of-pocket maximum for coinsurance and copayments

After your copayments and coinsurance total \$3,300 per person or \$8,400 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your out-of-pocket maximum, and you must continue to pay copayments for this service:

- Prescription Drugs.

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach these maximums.

Section 5. Benefits – OVERVIEW

(See page 8 for how our benefits changed this year and page 51 for a benefits summary.)

NOTE: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claims forms, claims filing advice, or more information about our benefits, contact us at (716) 325-3113 or (800) 950-3224 or if you have a speech or hearing impairment and have TTY equipment (716) 325-2629 or visit our website at www.preferredcare.org.

(a) Medical services and supplies provided by physicians and other health care professionals	13 - 20
• Diagnostic and treatment services	• Speech therapy
• Lab, X-ray, and other diagnostic tests	• Hearing services (testing, treatment, and supplies)
• Preventive care, adult	• Vision services (testing, treatment, and supplies)

Orthopedic and prosthetic devices	You Pay
<ul style="list-style-type: none"> • Custom made shoe inserts up to \$250 (One pair every three years) 	Nothing
<ul style="list-style-type: none"> • Internal prosthetic devices, such as artificial joints, pacemakers, cochlear implants, and surgically implanted breast implant following mastectomy. Note: See 5(b) for coverage of the surgery to insert the device 	Nothing
<ul style="list-style-type: none"> • Orthotic devices • Artificial limbs and eyes; stump hose • Corrective orthopedic appliances for non-dental treatment of temporomandibular joint (TMJ) pain dysfunction syndrome. • Orthopedic devices, such as braces. <p>Note: External prosthetic and orthopedic devices are covered up to a maximum person payment of \$15,000 per calendar year.</p>	20% of plan allowance
<ul style="list-style-type: none"> • Externally worn breast prostheses and surgical bras, including necessary replacements following a mastectomy 	20% of plan allowance with no maximums
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>arch supports</i> • <i>heel pads and heel cups</i> • <i>lumbosacral supports</i> • <i>corsets, trusses, elastic stockings, support hose, and other supportive devices</i> 	<i>All charges</i>
Durable medical equipment (DME)	You pay
<p>Rental or purchase, at our option, including repair and adjustment, of durable medical equipment prescribed by your Plan physician, such as oxygen and dialysis equipment. Under this benefit, we also cover:</p> <ul style="list-style-type: none"> • hospital beds; • wheelchairs; • walkers; • insulin pumps. 	20% of plan allowance.
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Motorized wheel chairs, unless medically necessary</i> • <i>Air conditioners, dehumidifiers, humidifiers</i> • <i>Breast pumps</i> • <i>Electric hospital bed (unless medically necessary)</i> • <i>Hypo-allergenic bedding</i> • <i>Visual aids (e.g., CCTV, magnifying glasses)</i> • <i>Environmental control units, such as control units to turn on a television or air conditioner, etc.</i> 	<i>All charges</i>

Home health services	You Pay
<ul style="list-style-type: none"> • Home health care ordered by a Plan physician and provided by a registered nurse (R.N.), licensed practical nurse (L.P.N.), licensed vocational nurse (L.V.N.), or home health aide. • Services include oxygen therapy, intravenous therapy, and medications. 	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Nursing care requested by, or for the convenience of, the patient or the patient's family;</i> • <i>Home care primarily for personal assistance that does not include a medical component and is not diagnostic, therapeutic, or rehabilitative.</i> 	<i>All charges</i>
Chiropractic	You Pay
<ul style="list-style-type: none"> • The detection and correction by manual or mechanical means of structural imbalance, distortion or subluxation in the human body for the purposes of removing nerve interference, and the effects thereof, where such interference is the result of or related to distortion, misalignment or subluxation or in the vertebral column. 	\$10 per visit.
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Maintenance treatment for conditions that does not result in significant clinical improvement or lead toward resolution of the condition.</i> 	<i>All charges</i>
Alternative treatments	You Pay
Acupuncture - by a doctor of medicine or osteopathy for: anesthesia, pain relief up to 10 visits per calendar year	50% of plan allowance.
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>naturopathic services</i> • <i>hypnosis</i> 	<i>All charges</i>
Educational classes and programs	You Pay
<p>Smoking Cessation</p> <ul style="list-style-type: none"> • Professional services for outpatient nicotine dependency, including diagnostic evaluations to determine the nature and extent of illness, counseling and therapy. <p>Note: Prescriptions that are smoking deterrents and FDA approved such as Zyban, Nicotrol, and Habitrol are covered under the prescription drug benefit.</p>	\$10 per visit
<ul style="list-style-type: none"> • Diabetes self management 	\$10 per visit

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

I M P O R T A N T	<p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> • Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary. • Plan physicians must provide or arrange your care. • We have no deductible. • Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. • The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.). 	I M P O R T A N T
--	--	--

Benefit Description	You Pay
Surgical procedures	You Pay
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> • Operative procedures • Treatment of fractures, including casting • Normal pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see reconstructive surgery) • Surgical treatment of morbid obesity – a condition in which an individual weighs 100 pounds or 100% over his or her normal weight according to current underwriting standards; eligible members must be age 18 or over. • Insertion of internal prosthetic devices. See 5(a) – Orthopedic braces and prosthetic devices for device coverage information. 	<p>\$10 per office visit; nothing for inpatient or outpatient hospital procedures.</p>
<ul style="list-style-type: none"> • Voluntary sterilization • Treatment of burns 	<p>\$10 per office visit Nothing for inpatient/ outpatient surgery.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Reversal of voluntary sterilization</i> • <i>Routine treatment of conditions of the foot; see Foot care.</i> 	<p><i>All charges</i></p>

Reconstructive surgery	You Pay
<ul style="list-style-type: none"> • Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: <ul style="list-style-type: none"> – the condition produced a major effect on the member’s appearance and – the condition can reasonably be expected to be corrected by such surgery • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are: protruding ear deformities; cleft lip; cleft palate; birth marks; webbed fingers; and webbed toes. 	<p>\$10 per office visit. Nothing for inpatient/outpatient surgery.</p>
<ul style="list-style-type: none"> • All stages of breast reconstruction surgery following a mastectomy, such as: <ul style="list-style-type: none"> – surgery to produce a symmetrical appearance on the other breast; – treatment of any physical complications, such as lymphoedema; 	<p>Nothing</p>
<ul style="list-style-type: none"> – breast prostheses and surgical bras and replacements (see Prosthetic devices) <p>Note: If you need to have a mastectomy, you may choose to have this procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</p>	<p>20% of plan allowance</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Cosmetic surgery - any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury</i> • <i>Surgeries related to sex transformation</i> 	<p><i>All charges</i></p>
Oral and maxillofacial surgery	You Pay
<p>Oral surgical procedures, limited to:</p> <ul style="list-style-type: none"> • Reduction of fractures of the jaws or facial bones; • Surgical correction of cleft lip, cleft palate or severe functional malocclusion; • Removal of stones from salivary ducts; • Excision of leukoplakia or malignancies; • Excision of cysts and incision of abscesses when done as independent procedures; and • Other surgical procedures that do not involve the teeth or their supporting structures. 	<p>\$10 per outpatient surgery Nothing for inpatient surgery</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Oral implants and transplants</i> • <i>Procedures that involve the teeth or their supporting structures (such as the periodontal membrane, gingiva, and alveolar bone)</i> 	<p><i>All charges</i></p>

Organ/tissue transplants	You Pay
<p>Limited to:</p> <ul style="list-style-type: none"> • Cornea • Heart • Heart/lung • Kidney • Kidney/Pancreas • Liver • Lung: Single – Double • Pancreas • Allogeneic bone marrow transplants • Autologous bone marrow transplants (autologous stem cell and peripheral stem cell support) for the following conditions: acute lymphocytic or non-lymphocytic leukemia; advanced Hodgkin’s lymphoma; advanced non-Hodgkin’s lymphoma; advanced neuroblastoma; breast cancer; multiple myeloma; epithelial ovarian cancer; testicular, mediastinal, and ovarian cancers. • Intestinal transplants (small intestine) and the small intestine with the liver or small intestine with multiple organs such as the liver, stomach, and pancreas <p>Limited Benefits – Treatment for breast cancer, multiple myeloma, and epithelial ovarian cancer may be provided in an NCI- or NIH-approved clinical trial at a Plan-designated center of excellence and if approved by the Plan’s medical director in accordance with the Plan’s protocols.</p> <p>Note: We cover related medical and hospital expenses of the donor when we cover the recipient.</p>	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Donor screening tests and donor search expenses, except those performed for the actual donor</i> • <i>Implants of artificial organs</i> • <i>Transplants not listed as covered</i> 	<i>All charges</i>
Anesthesia	You Pay
<p>Professional services provided in –</p> <ul style="list-style-type: none"> • Hospital (inpatient) • Hospital outpatient department • Skilled nursing facility • Ambulatory surgical center • Office 	Nothing

Section 5(c). Services provided by a hospital or other facility, and ambulance services

I M P O R T A N T	<p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary. Plan physicians must provide or arrange your care and you must be hospitalized in a Plan facility. We have no deductible. Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are covered in Section 5(a) or (b). 	I M P O R T A N T
--	---	--

Benefit Description	You Pay
Inpatient hospital	You Pay
<p>Room and board, such as</p> <ul style="list-style-type: none"> ward, semiprivate, or intensive care accommodations; general nursing care; and meals and special diets. <p>NOTE: If you want a private room when it is not medically necessary, you pay the additional charge above the semiprivate room rate.</p>	Nothing
<p>Other hospital services and supplies, such as:</p> <ul style="list-style-type: none"> Operating, recovery, maternity, and other treatment rooms Prescribed drugs and medicines Diagnostic laboratory tests and X-rays Administration of blood and blood products Blood or blood plasma, if not donated or replaced Dressings, splints, casts, and sterile tray services Medical supplies and equipment, including oxygen Anesthetics, including nurse anesthetist services Medical supplies, appliances, medical equipment, and any covered items billed by a hospital for use at home. 	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <i>Custodial care</i> <i>Non-covered facilities, such as nursing homes and schools</i> <i>Personal comfort items, such as telephone, television, barber services, guest meals and beds</i> <i>Private nursing care</i> 	<i>All charges.</i>

Outpatient hospital or ambulatory surgical center	You Pay
<ul style="list-style-type: none"> • Operating, recovery, and other treatment rooms • Prescribed drugs and medicines • Diagnostic laboratory tests, X-rays, and pathology services • Administration of blood, blood plasma, and other biologicals • Blood and blood plasma, if not donated or replaced • Pre-surgical testing • Dressings, casts, and sterile tray services • Medical supplies, including oxygen • Anesthetics and anesthesia service <p>NOTE: We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment. We do not cover the dental procedures.</p>	Nothing
Extended care benefits/skilled nursing care facility benefits	You pay
<p>Skilled nursing facility (SNF): 120 days per calendar year.</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Bed, board, and general nursing care. • Drugs, biologicals, supplies, and equipment. 	Nothing
<i>Not covered: custodial care</i>	<i>All charges</i>
Hospice care	You Pay
<p>Care for terminally ill patients (life expectancy of 6 months or less).</p> <ul style="list-style-type: none"> • Covered services include dietary counseling, home health aid, occupational therapy, speech therapy, and skilled nursing. • Drugs and medical supplies. 	Nothing
<i>Not covered: Independent nursing, homemaker services</i>	<i>All charges</i>
Ambulance	You Pay
<ul style="list-style-type: none"> • Local professional ambulance service when medically appropriate 	Nothing

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies - what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within/outside our service area: Emergencies, as defined above, do not require prior authorization. Even so, we encourage you to always contact your primary care physician for direction and advice before seeking medical treatment. In the event, however, that you are faced with a situation you are sure is an emergency as defined above, you should go directly to the emergency room.

In the event that you are faced with a situation that you are not sure is an emergency as defined above, you should contact your primary care physician first. Your primary care physician will help you determine the most appropriate course of treatment. As your partner in health care, your primary care physician needs to be kept informed of any health care services that you receive. We require that you contact your primary care physician to facilitate his or her ability to oversee your health care and ensure that you may receive any necessary follow-up treatment in connection with your emergency room visit.

Urgent Care within/outside our service area: Urgent care is intended to treat minor illness or injury—a sprain, a minor cut or burn, the flu, or other ailment that is not quite an emergency but does require prompt care. It differs from emergency care, which is designed to treat sudden, serious health problems (for example, a heart attack or stroke). When used correctly, urgent care is an appropriate, convenient, and affordable alternative to emergency care.

You are required to obtain a referral from your primary care physician before going to an urgent care center. Without a referral, you may be responsible for all costs incurred.

Benefit Description	You Pay
Emergency within our service area	You Pay
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services 	<p>\$10</p> <p>\$25</p> <p>\$50 (waived if admitted)</p>
<i>Not covered: Elective care or non-emergency care</i>	<i>All charges</i>
Emergency outside our service area	You Pay
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services 	<p>\$10</p> <p>\$25</p> <p>\$50 (waived if admitted)</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Elective care or non-emergency care</i> • <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> • <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area.</i> 	<i>All charges</i>
Ambulance	You Pay
<p>Professional ambulance service when medically appropriate. See 5 (c) for non-emergency service.</p>	Nothing
<i>Not covered: Air ambulance, unless determined to be medically necessary and approved by our medical director.</i>	<i>All charges</i>

Section 5(e). Mental Health and Substance Abuse Benefits

I M P O R T A N T	<p>When you get our approval for services and follow a treatment plan we approve, cost sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.</p> <p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> • All benefits are subject to the definitions, limitations, and exclusions in this brochure. • We have no deductible. • Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. • YOU MUST GET PREAUTHORIZATION OF THESE SERVICES. See the instructions after the benefits description below. 	I M P O R T A N T
--	---	--

Benefit Description	You Pay
Mental health and substance abuse benefits	You Pay
<p>All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	<p>Your cost sharing responsibilities are no greater than for other illness or conditions.</p>
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers • Medication management 	\$10 per visit
<ul style="list-style-type: none"> • Diagnostic tests 	Nothing
<ul style="list-style-type: none"> • Services provided by a hospital or other facility • Services in approved alternative care settings such as partial hospitalization, full-day hospitalization, and facility based intensive outpatient treatment 	Nothing
<p><i>Not covered: Services we have not approved.</i></p> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<i>All charges</i>

Preauthorization

To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following authorization processes:

For mental health treatment, you or your primary care physician are required to contact Preferred Care's Behavioral Health Services Unit and speak with a mental health specialist who will ask basic information about your mental health history to determine the need for a referral for outpatient care. For inpatient care, your primary care physician makes a referral to Preferred Care's Preauthorization Department for inpatient hospitalization or partial hospitalization (day treatment).

For chemical dependency treatment, you are required to contact the Preferred Care Behavioral Health Services Unit and speak with an intake coordinator who will ask basic information about your chemical dependency history to determine the need for an assessment. If an assessment is appropriate, an appointment for you will be arranged with an independent Preferred Care Chemical Dependency Assessor. Once the assessment is completed, a clinical quality coordinator will contact you to make specific recommendations for treatment, and will arrange inpatient or outpatient services as needed.

The Behavioral Health Services Unit telephone number is (716) 327-2477 or (800) 836-1430 ext. 477. For the names of plan providers or a provider directory, contact a Preferred Care Customer Care Center representative at (716) 325-3113 or (800) 950-3224 or visit our website at www.preferredcare.org.

Limitation

We may limit your benefits if you do not follow your treatment plan.

Section 5(f). Prescription drug benefits

I M P O R T A N T	<p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> • We cover prescribed drugs and medications, as described in the chart beginning on the next page. • All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary. • We have no deductible. • Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. 	I M P O R T A N T
--	--	--

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician must write the prescription.
- **Where you can obtain them.** You may fill the prescription at a Plan pharmacy, a non-network pharmacy, or by mail for medications that are available through the mail order program.
- **We use a formulary.** A formulary is a list of selected FDA approved prescription medications. Use of formulary helps control out of pocket costs. The Preferred Care formulary is an open, clinically comprehensive guide that was developed by nationally recognized independent group of clinicians and reviewed by Preferred Care’s P & T Committee (a group of local physicians, pharmacists, and Preferred Care clinical pharmacy and medical personnel). Our formulary provides access to all FDA approved drugs with various coverage levels.
- **These are the dispensing limitations.** You may purchase up to a 90-day supply at a Plan or non-network pharmacy and are required to pay a copayment for each 30-day supply you purchase. The amount you pay is based upon a three-tier copayment structure. The tiers determine the amount you pay for each 30-day supply purchased. The three tiers are categorized as Generic Drugs; Preferred Brand Name Drugs; and Other Brand Name Drugs.

You may purchase certain medications for up to a 90-day supply through the mail order pharmacy. A list of therapeutic categories of prescriptions, that may be purchased through the mail order program, is available by contacting Merck Medco at (800) 233-7063 or a Preferred Care Customer Care Representative at (716) 325-3113 or (800) 950-3224, or by visiting our website at www.preferredcare.org.

You are required to pay a copayment for each 90-day supply purchased through the mail order pharmacy. The amount you pay for medications purchased through the mail order pharmacy is also based upon the three-tier copayment structure. The tiers are categorized as Generic Drugs, Preferred Brand Name Drugs, and Other Brand Name Drugs. You may obtain a list of the medications covered through the mail order program by contacting Merck Medco at (800) 233-7063 or a Preferred Care Customer Care Representative at (716) 325-3113 or (800) 950-3224 or by visiting our website at www.preferredcare.org.

When an A-rated generic drug can be substituted for a name brand drug, the patient’s drug benefit will be based upon the cost of the generic drug. If the name brand drug is dispensed, the patient will pay the generic copayment plus the difference in cost between the lower priced generic drug and the higher priced name brand drug. If there is no A-rated generic substitute, the patient’s drug benefit will be based upon the cost of the name brand drug less the name brand copayment.

We reserve the right to determine Medical Necessity for all drugs, and may require Prior Justification of certain drugs. Prior Justification may occur prior to the drug being dispensed in any amount or only if more than a standard quantity limit is prescribed. To learn more about this process you may contact Merck Medco at (800) 233-7063 or a Preferred Care Customer Care Center Representative at (716) 325-3113 or (800) 950-3224.

- **Why use generic drugs?** Generic drugs are typically lower priced drugs that are the therapeutic equivalent to more expensive name brand drugs. They must contain the same active ingredients and must be equivalent in strength and dosage to the original brand name product. Generics cost less than the equivalent name brand drug.

The U.S. Food and Drug Administration sets quality standards for generic drugs to ensure that these drugs meet the same standards of quality and strength as name brand drugs.

- **When you have to file a claim.** If you use a non-plan pharmacy or do not present your identification card at a plan pharmacy, you are required to submit a claim. You must submit original receipts along with a claim form. You will be reimbursed at the network rate less the applicable copayment.

Benefit Description	You Pay
Covered medications and supplies	You Pay
<p>We cover the following medications and supplies prescribed by a licensed physician and obtained from a Plan pharmacy or non-network pharmacy, or through our mail order program:</p> <ul style="list-style-type: none"> • FDA approved medications for FDA approved indications that by Federal law of the United States require a physician’s prescription for their purchase. • Compounded prescriptions are a covered item only if the main therapeutic ingredient is a Federal Legend Drug with a National Drug Code (NDC) Number. • Disposable needles and syringes for the administration of covered medications. • Drugs for sexual dysfunction have dispensing limits. Contact us for details. • Contraceptive drugs. • Drugs for infertility treatment after a medical condition has been corrected are limited to 4 cycles per pregnancy. Pergonal/Metrodin and other FDA approved drugs, only after unsuccessful treatment with Clomiphene and only when very specific clinical indications are met. The coverage is limited to, but not exceeding, four (4) treatment cycles per pregnancy. This benefit requires an approval referral for each cycle. If no pregnancy has occurred after completion of four cycles of Gonadotropic drugs, all fertility drug benefits are exhausted for lifetime. 	<p>At a Pharmacy (for each 30 day supply) \$10 per generic prescription. \$20 per preferred brand name prescription. \$35 per other brand name prescription.</p> <p>At Mail Order Pharmacy (for each 90 day supply) \$20 per generic prescription. \$40 per preferred brand name prescription. \$70 per other brand name prescription.</p> <p>Note: If there is no generic equivalent available, you will still have to pay the brand name copay.</p>
<p>Diabetic Drugs & Supplies:</p> <ul style="list-style-type: none"> • Insulin and oral agents • Supplies, including disposable needles and syringes 	<p>\$10 for each 30-day supply \$10 for each 90-day supply from the mail order pharmacy.</p>
<ul style="list-style-type: none"> • Diabetic medical equipment (including glucose monitors) 	<p>\$10 per unit.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Vitamins and nutritional supplements that can be purchased without a prescription.</i> • <i>Nonprescription medicines</i> • <i>Drugs to enhance athletic performance</i> • <i>Non-FDA approved medications (i.e. foreign medications, etc.)</i> 	<p><i>All Charges</i></p>

Section 5(g). Special features

Feature	Description
Flexible benefits option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. • Alternative benefits are subject to our ongoing review. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
Services for deaf and hearing impaired	<ul style="list-style-type: none"> • If you have a speech or hearing impairment and have TTY equipment, you may contact us at (716) 325-2629.
Travel benefits/services overseas	<ul style="list-style-type: none"> • Urgent and emergency care only.

Section 5(h). Dental Benefits

I M P O R T A N T	<p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> • Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary. • We have no deductible. • We cover hospitalization for dental procedures only when a nondental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient; we do not cover the dental procedure unless it is described below. • Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. 	I M P O R T A N T
Benefit Description		You Pay
Accidental injury benefit		You Pay
<p>We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. Benefits are provided only for a course of treatment that has begun within 12 months of the injury.</p>		\$10 per visit
Dental Benefits		
<p>We have no other dental benefits.</p>		

Section 5(i). Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB out-of-pocket maximums.

HealthPerks^{ssm} from Preferred Care are courses, resources, and discounts available to all members of the Plan. **HealthPerks^{ssm}** provides connections to traditional and complimentary providers, all geared to giving Plan members' tools to make appropriate health and wellness decisions for themselves and their families. Our **HealthPerks^{ssm}** program was developed to encourage appropriate participation in healthful activities focusing on preventive care to aid in improving the health status of our members.

Courses, programs and workshops cover areas such as:

- CPR & First Aid,
- Diet & Nutrition,
- Smoking Cessation,
- Women's Issues, and
- Childbirth & Parenting.

Discounts are provided for purchasing health related, recreation or leisure merchandise or services from:

- Weight Watchers,
- Play It Again Sports,
- Muxworthy's,
- G&G Fitness,
- Lori's Natural Foods,
- and Rock Ventures to name a few.

Over twenty clubs provide plan members discounted arrangements. Discounts and schedules vary by participating vendor.

Additional **HealthPerks^{ssm}** programs are:

- Discounts on massage therapy,
- 20% discount on LASIK laser eye surgery at select locations,
- Safe driving and safe boating courses at select locations,
- 20% discount on teeth whitening at participating dentists,
- 20% discount on sunglasses and safety glasses at select locations.

To receive a **HealthPerks^{ssm}** brochure, call Preferred Care's Customer Care Center at (716) 325-3113 or toll free at (800) 950-3224. Members with a speech or hearing impairment and access to TTY equipment may call (716) 325-2629. www.preferredcare.org. Preferred Care's website provides valuable health information, frequently asked questions, **HealthPerks^{ssm}** offerings, physician listings, and important links to other sites that can provide you with the most up to date information on health and wellness.

This plan offers Medicare recipients the opportunity to enroll in the Plan through Medicare. As indicated on page 39, annuitants and former spouses with FEHB coverage may enroll in a Medicare managed care plan when one is available in their area. They may then later enroll in the FEHB Program. Most Federal annuitants have Medicare Part A. Contact your retirement system for information on dropping your FEHB enrollment and changing to a Medicare managed care plan. Contact us at (716) 327-5760 for information on the Medicare managed care plan and the cost of that enrollment.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program

Section 7. Filing a claim for covered services

When you receive services from Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at (716) 325-3113.

When you must file a claim – such as for out-of-area care – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name, address, and Federal Tax ID # of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to:

Preferred Care, 259 Monroe Avenue, Rochester, New York, 14607

Prescription drugs

Submit your claims to:

Paid Prescriptions, Inc., P.O. Box 702, Parsippany, New Jersey, 07054

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
------	-------------

- 1** Ask us in writing to reconsider our initial decision. You must:
 - (a) Write to us within 6 months from the date of our decision; and
 - (b) Send your request to us at: 259 Monroe Avenue, Rochester, N.Y. 14607; and
 - (c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
 - (d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.

- 2** We have 30 days from the date we receive your request to:
 - (a) Pay the claim (or arrange for the health care provider to give you the care); or
 - (b) Write to you and maintain our denial – go to step 4; or
 - (c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request – go to step 3.

- 3** You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

- 4** If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

 - 90 days after the date of our letter upholding our initial decision; or
 - 120 days after you first wrote to us – if we did not answer that request in some way within 30 days; or
 - 120 days after we asked for additional information.

Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, 1900 E Street, NW, Washington, D.C. 20415-3630.

Send OPM the following information:

 - A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
 - Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
 - Copies of all letters you sent to us about the claim;
 - Copies of all letters we sent to you about the claim; and
 - Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

6 If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

(a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at (716) 325-3113 and we will expedite our review; or

(b) We denied your initial request for care or preauthorization/prior approval, then:

- If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
- You can call OPM's Health Benefits Contracts Division 3 at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay whatever is left up to the plan allowance or our regular benefit, whichever is less. We will not pay more than our allowance. If we are the secondary payer, we may be entitled to receive payment from your primary plan.

• What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premiums-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your Social Security or retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare+Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages show how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

• The Original Medicare Plan (Part A or Part B)

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. You must use our providers.

When Medicare is the primary payer, we will waive some of your out of pocket costs, such as copays and coinsurance.

(Primary Payer Chart appears on next page.)

The following chart illustrates whether the Original Medicare Plan or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart		
A. When either you – or your covered spouse – are age 65 or over and ...	Then the primary payer is . . .	
	Original Medicare	This Plan
1) Are an active employee with the Federal government (including when you or a family member are eligible for Medicare solely because of a disability),		✓
2) Are an annuitant,	✓	
3) Are a reemployed annuitant with the Federal government when a) The position is excluded from FEHB b) Or, the position is not excluded from FEHB (Ask your employing office which of these applies to you.)	✓	
		✓
4) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge),	✓	
5) Are enrolled in Part B only, regardless of your employment status,	✓ (for Part B services)	✓ (for other services)
6) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty,	✓ (except for claims related to Workers' Compensation.)	
B. When you – or a covered family member – have Medicare based on end stage renal disease (ESRD) and...		
1) Are within the first 30 months of eligibility to receive Part A benefits solely because of ESRD,		✓
2) Have completed the 30-month ESRD coordination period and are still eligible for Medicare due to ESRD,	✓	
3) Become eligible for Medicare due to ESRD after Medicare became primary for you under another provision,	✓	
C. When you or a covered family member have FEHB and...		
1) Are eligible for Medicare based on disability, a) And are an annuitant, or b) Are an active employee, or	✓	
		✓
c) Are a former spouse of an annuitant, or	✓	
d) Are a former spouse of an active employee		✓

Claims process when you have the Original Medicare Plan – You probably will never have to file a claim form when you have both our plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In many cases, your claims will be coordinated automatically and we will pay the balance of covered charges. To find out if you need to do something about filing your claims, call us at (716) 325-3113 or visit our website at www.preferredcare.org.

• **Medicare managed care plan**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from another type of Medicare+Choice plan – a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare managed care plan, the following options are available to you:

This Plan and another Plan’s Medicare managed care plan: You may enroll in another plan’s Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan’s network and/or service area (if you use our Plan providers). We will waive our copayments, and/or coinsurance when we are the secondary payer. You are required to use Plan providers. If you enroll in a Medicare managed care plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare managed care plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage and a Medicare managed care plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium). For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care plan’s service area.

• **If you do not enroll in Medicare Part A or Part B**

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B and, if you can’t get premium-free Part A, we will not ask you to enroll in it.

TRICARE

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, they pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers

Medicaid

When you have this Plan and Medicaid, we pay first.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 11.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 11.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Care that could be provided safely and reasonably by people without professional skills or training that is primarily to help the member with daily living activities or meet personal needs.
Experimental or investigational	<p>This Plan considers a drug, device, treatment, or procedure to be experimental or investigational if it meets one or more of the following criteria:</p> <ol style="list-style-type: none">1. It cannot be lawfully marketed without the approval of the FDA and such approval has not been granted at the time of its use.2. It is the subject of a current investigational new drug or device application on file with the FDA.3. It is being provided pursuant to a Phase I or Phase II clinical trial or as the experimental or research arm of a clinical trial.4. It is being provided pursuant to a written protocol which describes among its objectives, determination of safety, or efficacy in comparison to conventional alternatives.5. The predominant opinion among experts as expressed in the published peer review literature is that further research is necessary in order to define safety compared with conventional alternatives.6. It is not experimental or investigational in itself, but is being used in conjunction with a drug, device, treatment, or procedure that is experimental or investigational.
Group health coverage	Health care coverage that a member is eligible for because of employment by, membership in, or connection with, a particular organization or group that provides payment for hospital, medical, or other health care services or supplies.
Medically necessary	<p>Medically necessary means that the use of services and supplies required to diagnose or treat you are:</p> <ul style="list-style-type: none">• Consistent with the symptoms or diagnosis and treatment of your condition, disease, ailment or injury, supported by a thorough examination, history, and tests;• Appropriate, safe, and effective with regard to generally accepted standards of medical or surgical practice prevailing nationally or in the geographic locality, where and when the service or item is ordered;• Supported by a thorough, reasonable consideration of the treatment options available and a reasonable potential for therapeutic gain, and not

solely for appearance or recreation, or for your convenience, the convenience of your health professional, hospital, or other provider; and

- Furnished in the least intensive, most cost effective health care setting required. When applied to inpatient care, it further means that your medical symptoms or condition require that the diagnosis or treatment cannot be safely provided to you as an outpatient or in a less intensive environment.

Plan allowance

Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Our plan allowance is generally based upon a fee we negotiate with Plan providers. In some instances, our plan allowance may be based upon submitted charges or reasonable and customary charges.

Us/We

Us and we refer to Preferred Care.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB facts

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitant's coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

• Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices.

• Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB web site (www.opm.gov/insure/health); refer to the “TCC and HIPPA” frequently asked questions. These highlight HIPPA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPPA, and have information about Federal and State agencies you can contact for more information.

Long Term Care Insurance Is Coming Later in 2002!

- Many FEHB enrollees think that their health plan and/or Medicare will cover their long-term care needs. Unfortunately, they are *WRONG!*
- How are YOU planning to pay for the future custodial or chronic care you may need?
- You should consider buying long-term care insurance.

The Office of Personnel Management (OPM) will sponsor a high-quality long term care insurance program effective in October 2002. As part of its educational effort, OPM asks you to consider these questions:

What is long term care (LTC) insurance?

- It's insurance to help pay for long term care services you may need if you can't take care of yourself because of an extended illness or injury, or an age-related disease such as Alzheimer's.
- LTC insurance can provide broad, flexible benefits for nursing home care, care in an assisted living facility, care in your home, adult day care, hospice care, and more. *LTC insurance can supplement care provided by family members, reducing the burden you place on them.*

I'm healthy. I won't need long term care. Or, will I?

- Welcome to the club!
- 76% of Americans believe they will never need long term care, but the facts are that about half of them will. And it's not just the old folks. About 40% of people needing long term care are under age 65. They may need chronic care due to a serious accident, a stroke, or developing multiple sclerosis, etc.
- We hope you will never need long term care, but everyone should have a plan just in case. *Many people now consider long term care insurance to be vital to their financial and retirement planning.*

Is long term care expensive?

- Yes, it can be very expensive. A year in a nursing home can exceed \$50,000. Home care for only three 8- hour shifts a week can exceed \$20,000 a year. And that's before inflation!
- Long term care can easily exhaust your savings. *Long term care insurance can protect your savings.*

But won't my FEHB plan, Medicare or Medicaid cover my long term care?

- Not FEHB. Look at the "Not covered" blocks in sections 5(a) and 5(c) of your FEHB brochure. Health plans don't cover custodial care or a stay in an assisted living facility or a continuing need for a home health aide to help you get in and out of bed and with other activities of daily living. Limited stays in skilled nursing facilities can be covered in some circumstances.
- Medicare only covers skilled nursing home care (the highest level of nursing care) after a hospitalization for those who are blind, age 65 or older or fully disabled. It also has a 100-day limit.
- Medicaid covers long term care for those who meet their state's poverty guidelines, but has restrictions on covered services and where they can be received. *Long-term care insurance can provide choices of care and preserve your independence.*

When will I get more information on how to apply for this new insurance coverage?

- Employees will get more information from their agencies during the LTC open enrollment period in the late summer/early fall of 2002.
- Retirees will receive information at home.

How can I find out more about the program NOW?

- Our toll-free teleservice center will begin in mid-2002. In the meantime, you can learn more about the program on our web site at www.opm.gov/insure/ltc.

Summary of Benefits for Preferred Care - 2002

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

Benefits	You Pay	Page

Protection against catastrophic costs (your out-of-pocket maximum)	Nothing after \$3,300 per person or \$8,400 per family enrollment per year Some costs do not count toward this protection	11

2002 Rate Information for Preferred Care

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses (see RI 70-2B); and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.

		Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
Type of Enrollment	Code	Gov't Share	Your Share	Gov't Share	Your Share	USPS Share	Your Share
Self Only	GV1	\$89.12	\$29.70	\$193.08	\$64.36	\$105.45	\$13.37
