

## Attachment 1: HEDIS Measures Required for 2012

All plans must follow NCQA's procedures for HEDIS reporting, including the HEDIS Compliance Audit™ which can be found at <http://www.ncqa.org/tabid/205/Default.aspx>. To fully understand and comply with HEDIS technical specifications and to obtain the following measures' specifications you will need HEDIS 2012 Volume 2: Technical Specifications for Health Plans. In addition, you must obtain the 2012 Technical Specifications Update which includes additional changes to the HEDIS 2012 Technical Specifications. The Technical Specifications Update is considered to be part of HEDIS 2012 Technical Specifications. You may obtain the document here: (<http://www.ncqa.org/LinkClick.aspx?fileticket=Hz62TlxBIZk%3d&tabid=1415>)

If you do not have the HEDIS 2012 Volume 2: Technical Specifications for Health Plans, you can order it through NCQA's website here: [http://www.ncqa.org/tabid/78/Default.aspx#Vol\\_2](http://www.ncqa.org/tabid/78/Default.aspx#Vol_2).
