2. Section 3.3 Rate Reduction For Defective Pricing Or Defective Cost Or Pricing Data

We amended this section to reflect the updates made in FEHBAR Section 1652.215-70 in June 2015. In subsection (a)(3) was modified to note that SSSGs would be compared only for Traditional Community Rated plans. Subsection (a)(4) was modified to address Carriers who are not mandated by the state to use traditional Community rating or whose rating methodology is not consistent with its state-filed rating methodology.

SECTION 3.3 RATE REDUCTION FOR DEFECTIVE PRICING OR DEFECTIVE COST OR PRICING DATA (~~JAN 2004~~ JUN 2015) (FEHBAR 1652.215-70)

As prescribed in 1615.407-1, the following clause shall be inserted in FEHBP contracts exceeding the threshold at FAR 15.403-4(a)(1) that are based on a combination of cost and price analysis (community rated):

Community Rated 2020 Proposed Amendments

(a) If any rate established in connection with this contract was increased because (1) the Carrier-submitted, or kept in its files in support of the FEHBP rate, cost or pricing data that were not complete, accurate, or current as certified in the Certificate of Accurate Cost or Pricing Data (FEHBAR 1615.406-2); (2) the Carrier submitted, or kept in its files in support of the FEHBP rate, cost or pricing data that were not accurate as represented in the rate proposal documents; (3) the Carrier developed FEHBP rates [for traditional community rated plans](#) with a rating methodology and structure inconsistent with that used to develop rates for similarly sized subscriber groups (see FEHBAR §1602.170-13) as certified in the Certificate of Accurate Cost or Pricing Data for Community Rated Carriers; ~~or~~ (4) [the Carrier, who is not mandated by the State to use traditional community rating, developed FEHBP rates with a rating methodology and structure inconsistent with its State-filed rating methodology \(or if not required to file with the State, their standard written and established rating methodology\) or inconsistent with the FEHB specific medical loss ratio \(MLR\) requirements \(see FEHBAR 1602.170-13\); or \(5\) the Carrier submitted or, kept in its files in support of the FEHBP rate, data or information of any description that were not complete, accurate, and current--then, the rate shall be reduced in the amount by which the price was increased because of the defective data or information.](#)

(b)(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Carrier agrees not to raise the following matters as a defense:

(i) The Carrier was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the contract would not have been modified even if accurate, complete, and current cost or pricing data had been submitted or maintained and identified.

(ii) The Contracting Officer should have known that the cost or pricing data in issue were defective even though the Carrier took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The contract was based on an agreement about the total cost of the contract and there was no agreement about the cost of each item procured under the contract.

(iv) The Carrier did not submit or keep in its files a Certificate of Current Cost or Pricing Data.

(2)(i) Except as prohibited by subdivision (b)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a contract price reduction if--

(A) The Carrier certifies to the Contracting Officer that, to the best of the Carrier's knowledge and belief, the Carrier is entitled to the offset in the amount requested; and

(B) The Carrier proves that the cost or pricing data were available before the date of agreement on the price of the contract (or price of the modification) and that the data were not submitted before such date.

(ii) An offset shall not be allowed if--

(A) The understated data was known by the Carrier to be understated when the Certificate of Current Cost or Pricing Data was signed; or

(B) The Government proves that the facts demonstrate that the contract price would not have increased in the amount to be offset even if the available data had been submitted before the date of agreement on price.

(c) When the Contracting Officer determines that the rates shall be reduced and the Government is thereby entitled to a refund [or that the Government is entitled to a MLR penalty,](#)

Community Rated 2020 Proposed Amendments

the Carrier shall be liable to and shall pay the FEHB Fund at the time the overpayment is repaid or at the time the MLR penalty is paid --

(1) Simple interest on the amount of the overpayment from the date the overpayment was paid from the FEHB Fund to the Carrier until the date the overcharge is liquidated. In calculating the amount of interest due, ~~the Carrier shall use~~ the quarterly rate determinations by the Secretary of the Treasury under the authority of 26 U.S.C. 6621(a)(2) applicable to the periods the overcharge was retained by the Carrier shall be used; ~~and~~;

(2) A penalty equal to the amount of overpayment, if the Carrier knowingly submitted cost or pricing data which was incomplete, inaccurate, or noncurrent; ~~and~~;

(3) Simple interest on the MLR penalty from the date on which the penalty should have been paid to the FEHB Fund to the date on which the penalty was or will be actually paid to the FEHB fund. The interest rate shall be calculated as specified in paragraph (c)(1) of this section.

In accordance with the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. 2461 Note), the Department of Labor adjusts this civil monetary penalty for inflation no later than January 15 each year.

5. Section 5.58 Payment By Electronic Funds Transfer–System For Award Management

This section was updated to remove the word “database” when referring to accessing the System Award Management.

SECTION 5.58 PAYMENT BY ELECTRONIC FUNDS TRANSFER–SYSTEM FOR AWARD MANAGEMENT (~~JUL 2013~~ OCT 2018) (FAR 52.232-33)

(a) Method of payment.

(1) All payments by the Government under this contract shall be made by electronic funds transfer (EFT), except as provided in paragraph (a)(2) of this clause. As used in this clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.

(2) In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either—

(i) Accept payment by check or some other mutually agreeable method of payment; or

(ii) Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (d) of this clause).

(b) *Contractor's EFT information*. The Government shall make payment to the Contractor using the EFT information contained in the System for Award Management (SAM) ~~database~~. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the SAM ~~database~~.

(c) *Mechanisms for EFT payment*. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.

Community Rated 2020 Proposed Amendments

financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.

(e) *Liability for uncompleted or erroneous transfers.*

(1) If an uncompleted or erroneous transfer occurs because the Government used the Contractor's EFT information incorrectly, the Government remains responsible for—

- (i) Making a correct payment;
- (ii) Paying any prompt payment penalty due; and
- (iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and—

(i) If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

(ii) If the funds remain under the control of the payment office, the Government shall not make payment, and the provisions of paragraph (d) of this clause shall apply.

(f) *EFT and prompt payment.* A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

Notwithstanding any other requirement of this contract, payment to an ultimate recipient other than the Contractor, or a financial institution properly recognized under an assignment of claims pursuant to Subpart 32.8, is not permitted. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) *Liability for change of EFT information by financial agent.* The Government is not liable for errors resulting from changes to EFT information made by the Contractor's financial agent.

(i) *Payment information.* The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the Government. If the Government makes payment by check in accordance with paragraph (a) of this clause, the Government shall mail the payment information to the remittance address contained in the SAM **database**.

3. Community Rated Adjustment (CRA)

The value of the CRA as outlined in Carrier Letter [2017-02](#) will be based on a combination of QCR and CO scores. The QCR portion of the calculation used to establish the CRA is set at 0.6. The CO portion of the calculation used to establish the CRA is set at 0.95. For ~~2019~~[2020](#), the CRA is the complement (one minus the outcome) of the following calculation: 0.65 times 0.6, plus 0.35 times 0.95.

The Performance Adjustment Percentage (PAP) for individual community-rated FEHB Program carriers for ~~2019~~[2020](#) performance will be one percent minus the Performance Based Percentage (PBP). The PBP is the amount calculated by the OPS plus the CRA with this result then multiplied by one percent. The PAP is multiplied by the subscription income to arrive at the Performance Adjustment (PA).

Depending on a plan's PA result three things are possible:

1. If the PA result is positive this amount will be withheld from a net-to-carrier premium disbursement on or about the second payment of March of the ~~2020~~[2021](#) contract year and placed in the plan's contingency reserve.

Community Rated 2020 Proposed Amendments

2. If the PA result is negative a plan can elect to receive the absolute value of this amount from the plan's contingency reserve which will be paid out on or about the second payment of March of the ~~2020~~2021 contract year. The decision to receive this amount or to allow the amount to remain in the contingency reserve is at the sole discretion of the plan.
3. If the PA result is zero no adjustments will be made.

The calculations described above are shown in formulas below:

$$\text{CRA: } 1 - ((0.65 * 0.6) + (0.35 * 0.95)) = 0.2775$$

$$\text{PBP} = (\text{OPS} + \text{CRA}) * 1\%$$

$$\text{PAP} = 1\% - \text{PBP}$$

$$\text{PA} = \text{PAP} * \text{Subscription Income}$$
