

Federal Academic Alliance

U.S. Office of Personnel Management is partnering with colleges and universities as part of the continuing efforts to provide higher educational opportunities to the Federal workforce. This program is a benefit that Federal employees can take advantage of at their own pace to pursue post-secondary education at reduced tuition rates. All Federal employees are eligible to take advantage of this resource. Some of the agreements also extend the benefits to spouses and legal dependents.

Federal Academic Alliance Partners

The Catholic University of America Metropolitan
School of Professional Studies

Central Michigan University

Champlain College

College for America at Southern
New Hampshire University

School of Business

University of Maryland University College

Utica College

Benefits of Federal Academic Alliance

**Our current and future Governmentwide
Memorandums of Agreement include:**

A focus on adult learners and non-traditional
students for the purpose of employee development.

Not-for-profit-schools.

Enhanced collaboration between academic
institutions and Federal agencies.

Reduced tuition rates and/or scholarships to
Federal employees worldwide; some of the agreements
extend the benefits to spouses and legal dependents.

Programs that address the Federal government's
mission critical occupation skills in the areas of IT
with an emphasis on Cybersecurity, Acquisition,
Human Resources, Financial Auditing, Economics,
and Science, Technology, Engineering
and Mathematics (STEM).
